

Prayer of Vengeance and Recompense for the City of Chicago

Father, we come boldly to Your throne of grace, interceding for the City of Chicago. You are the just God of all the earth, sitting on Your throne of judgment, the high court of heaven. You, Lord, execute righteousness and justice for all that are oppressed. You are the Lord of the Sabaoth, Ruler over all, and God of the angelic armies that fight against our enemies and avenge us of our adversaries. Beside You there is no Savior. Because of Your great love toward us and Your love for justice, You forsake not the City of Chicago, but You come to our aid to uphold justice in and for our city as You rule upon Your throne in heaven.

Lord, we thank You that Your eyes are upon the City of Chicago and Your ears are open to our prayers. Now is the set time for Your favor. The enemy has been oppressing our city. He has been resisting us. But now, Lord, we call upon You to dismantle everything that is out of line with heaven's government in this city. Hear our cry, oh Lord! Be gracious and hearken to us. Restore justice and judgment in the City of Chicago. Bring Your righteous judgment upon our adversary and against all that he is doing. Punish and penalize him for what he has put us through—every suffering, every murder, every humiliation, every shame, every embarrassment, every loss, every entrapment, every sickness, and every other attack of the devil. He is the perpetrator; he is behind all injustices and we pray, in the Name of Jesus, deal with him and deliver the City of Chicago out of every affliction. Restore to this city everything the devil has stolen from it. And, for every good thing that has been delayed, bring it forth now in this season.

We decree Your vengeance upon every agent of the devil resisting the revival and restoration of the City of Chicago. Execute vengeance upon the gods of the land that are resisting Your plans for this city. We plead the blood of Jesus over every household, neighborhood, business, church, school, and government office in this city, and render every assignment of the enemy against our youth null, void, powerless and ineffective. We declare that the heavenly angels have been given charge over this city to protect, guard, and defend it in Jesus' Name.

Father, execute Your vengeance against the enemy speedily and bring to the City of Chicago the recompense that is due it. We release Your anointing, love, joy, peace, truth, wisdom, righteousness, faith, holiness and Your Word to saturate this entire city. We ask and receive this by faith, and decree that the City of Chicago is blessed and restored to God's divine order, justice and authority in Jesus' Name, Amen!
